**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Its imperative that we keep the market competitive so that prices make sense based on quality of service. We love sonic because their pricing and service is competitive and the transparent. Why is this service potentially being threatened ? Doesnt this model reflect a true democracy?
